## Coming Events & Items of Interest

### Worship theme at the Paul the Apostle 20-6-10

Christians have a tendency to think that what they have to do is to make the good news about God's action in Jesus Christ intelligible to human societies. The method by which Christians try to do this is to show that Jesus Christ embodies or illustrates a truth that people already know. However Christians, if they are in tune with the good news, will help human societies understand why they cannot be really intelligible without the Gospel. The readings which will be proclaimed on Sunday make this reality manifest.

### Paul the Apostle Fundraiser for the Zambia project

Will be held on Sunday June 27th. Following the Sunday service there will be morning tea in the church. The program in the hall will begin at 12.00noon with singing by the south Port singers and lunch will be served. .

## South Port UnitingCare Snippets

### Winter is Truly here

Winter is truly here, I'm sitting here writing and the wonderful rain is pelting against the window. I am warm and comfortable but for many winter is a very difficult time. It is not warm and comfortable, it's cold and depressing, there is no extra money for increased heating costs etc. Many people live with little or no heating.

We offer help through our Welfare Program and people receive some warmth through the caring support and food that we are able to give.

Some of the items that people appreciate at this time of the year in our emergency relief foods are Long Life Milk and tins of Hearty Soups and tins of Stews etc. It is always appreciated!
